NEWS

Arts

Principal F. C. A. Jeanneret gave the Convocation Address at the Fall Convocation of McMaster University on October 26, when he received the honorary degree of Doctor of Laws.

Professor Helen S. Hogg took part in the 75th Anniversary ceremonies of the John Payton Williston Observatory of Mount Holyoke College, South Hadley, Mass., on November 8.

Professor M. W. Bannan gave an invitation lecture at the Third Lignin Round Table, Sept. 24–26, at Appleton, Wisc. The symposium was arranged by the Technical Association of the Pulp and Paper Industry and the Division of Chemistry and Chemical Technology, National Research Council.

Professor J. A. Irving addressed the annual banquet of the Section of Industrial Medicine, Academy of Medicine, Toronto, on October 12, on "Man's Need for Meaning"; and presented a paper to a Conference of Agriculturists at Five Oaks, near Paris, on October 29, on "A Philosophy of Rural Living."

Professor F. M. Heichelheim read a paper on "The Ladies of Crestwood Heights" on October 31 to the Jewish Historical Society of Toronto; papers on "Deuteronomy and Jeremiah" and "The Maccabean Problem" to the Hillel Foundation; and on "New Light on the Bible from Recent Discoveries" to the Queen's University Hillel Foundation.

Professor D. M. Hayne spoke at the Whitby District High School annual commencement on November 2, and at the Humberstone Collegiate Institute annual commencement on November 9.

Professor W. D. B. Grant has been elected a Fellow of the Royal Society of Literature. He has also been appointed to the supervisory committee of the English Institute.

Professor D. G. Creighton was the speaker at the United Grain Growers Limited dinner in Calgary on November 7, on the occasion of the fiftieth anniversary of the company's founding.

Professor G. M. Craig lectured on "Canadian Foreign Policy" at the R.C.A.M.C. School of Camp Borden on October 29. ✓ ad

Professor George W. Brown attended the biennial meeting of the Canadian Council of Churches, Kitchener, November 12-14, as chairman of the Council's standing commission on international affairs; spoke on October 23 to the Downsview Collegiate Assemblies on "Canada and the United Nations"; and on October 24 gave the first lecture in the Leaside Board of Education's series on "Canada." ✓ a

Professor J. M. S. Careless has been elected to the Council of the Canadian Historical Association for a three-year period.

Medicine

Dr. Donald Fraser has been named 1956 Medalist in Medicine by the Royal College of Physicians and Surgeons of Canada. The medal, awarded annually for the outstanding essay in medicine, went to Dr. Fraser for his essay on "Research on Rickets." ✓

Professor H. Cullumbine attended as a Canadian Government delegate the 11th Tripartite Conference on Toxicological Warfare in Washington, October 29-November 9. On November 20 Dr. Cullumbine addressed the Physicians Course at the Civil Defence College at Arnprior, Ont. ✓ ad

Professor G. H. W. Lucas has been appointed chairman of a committee to study the establishment of a Poison Information Centre in Toronto, which will be similar to those now functioning in the United States. Dr. John R. Ross of the Hospital for Sick Children is secretary of this committee. Its aims are to decrease the number of deaths occurring from accidental poisoning, particularly in children who come in contact with toxic household materials and medicines.

Professor W. Kalow was elected secretary-treasurer of the newly formed Pharmacological Society of Canada at its Montreal meeting on October 17.

Dr. R. E. Haist has been elected president of the Canadian Physiological Society.

Applied Science and Engineering

Professor A. C. Davidson attended the conference on Continuing Education of the Graduate Student at the University of Western Ontario, sponsored by the Engineering Institute and American Society of Mechanical Engineers, October 18-19.

Professors C. F. Morrison and M. M. Davis attended the meeting of the Advisory Committee of the Ontario Joint Highway Research Programme at Kingston on November 9.

Professor O. J. Marshall attended the annual meeting of the American Society of Civil Engineers in Pittsburgh, October 16-18, and was appointed chairman of the Executive Committee, Surveying and Mapping Division.

Professor H. R. Rice has been appointed Toronto representative of the general committee of the Sixth Commonwealth Mining and Metallurgical Congress, to be held in Canada in September-October, 1957.

Professor G. R. Lord attended the annual meeting of the Engineers Council for Professional Development at Detroit on October 25-26, and took part in the discussions on "Professional Ethics."

Dr. A. I. Johnson attended a symposium on Research and Engineering sponsored by Imperial Oil Limited at Sarnia on October 29-30.

Professor G. N. Patterson gave a lecture on "Free-Molecule Probes and the Deviation from Maxwellian Motion" at the Naval Ordnance Laboratory, Washington, on November 7. Prof. Patterson also attended the Technical Conference on "High Altitude Problems" at the Scientific Research Office, U.S. Air Headquarters, Washington. ✓ ad

Education

During October and November Professor D. F. Dadson gave talks on educational topics to the Haliburton County Public School Teachers' Association, the Headmasters' Association (Southern Ontario Region), the London District Secondary School Teachers' Conference, the conference of the Ontario Association for Curriculum Development, and took part in a panel "Teaching? Are you Crazy" arranged by the East York Township Board of Education.

Professor B. C. Diltz addressed the members of District No. 4, Ontario Secondary School Teachers' Federation, at Clinton, Ont., on "The Teacher and Teacher-Supply."

Professor R. W. B. Jackson has prepared a survey of educational research in Canada for the forthcoming issue of the "Review of Educational Research" published by the American Educational Research Association, which is to be devoted to a review of educational research throughout the world. Prof. Jackson attended the Invitational Conference on Testing Problems, in New York, under the auspices of the Educational Testing Service of Princeton, on November 3. On November 27, Dr. Jackson began a series of lectures to teachers of the York Inspectorates, as part of their in-service training program, on mental testing and its application to the classroom.

On November 5, Mr. W. B. MacMurray addressed the Women's University Club of Port Credit on the topic, "Modern Education and Your Child," and on November 16 spoke at the Commencement of the Beamsville District High School on "Graduation—what next?"

Professor J. H. Passmore has prepared an article for the revised edition of "Encyclopaedia Canadiana" on "Physical Education in Canadian Schools."

Professor Ruth Dean was speaker and resource person at the Regional Conference of District Nine, Ontario Secondary School Teachers' Federation, in Lindsay, October 25.

Dr. H. M. Fowler acted as resource person in the section "Research in Ontario Education" at the conference of the Ontario Association for Curriculum Development held in Toronto, November 8-10.

In November Professor C. E. Phillips addressed the Ontario Association for Curriculum Development on changes in the curriculum during the past century. Part of his paper is being published in the Toronto secondary school teachers' "Education Forum." He also spoke to the Toronto City Panhellenic Association and to the Home and School Association in Oakville.

Professor Clifford C. Pitt participated in the Phi Delta Kappa Commission on International Education in Chicago on October 5. On October 10 he commenced a series of lectures to the Hebrew Midrasha on "Characteristics of Children at Different Age Levels." Dr. Pitt will address the East York Kiwanis Club on October 30, and on the same date will speak on "Promotional Policies" to the East York Educational Fellowship. A series of sixteen lectures on Educational Psychology to field secretaries and placement officers of the Canadian National Institute for the Blind will be given by Prof. Pitt.

Mr. E. Brock Rideout was the theme speaker at the 10th annual conference of the Northern Ontario Public School Principals' Association held at Kirkland Lake on October 12-13, on the topic "The Education of the Exceptional Child."

In November, Professor P. H. Tacon addressed the annual meeting of the Women's Art Committee of the Art Gallery of Hamilton on the subject of "Abstract Composition," and the Humber Valley Colour Photographic Association of Canada on "Composition for the Photographer."

Miss Dorothy Thompson was mistress of ceremonies at the banquet of the Special Libraries Association convention held in Pittsburgh.

Professor Katharine Ball took part in a Round Table on Special Library work held at Niagara Falls, Ont., on October 20, by the Toronto and Western New York chapters of the Special Libraries Association.

Forestry

Professor D. V. Love presented a paper entitled "The Utilization of Low Grade Hardwoods and Plantation Thinnings in Southern Ontario" at the 10th anniversary conference of the Conservation Authorities of Ontario held on October 30 at London. ✓

Dean J. W. B. Sisam, Dr. J. L. Farrar, and Professors T. W. Dwight and D. V. Love attended the field meeting of the Southern Ontario Section, Canadian Institute of Forestry at Cobourg on October 26-27.

Dr. J. L. Farrar and Mr. K. A. Armson attended the annual conference of the Canadian Plant Physiologists, held on October 22-23 at Guelph.

Dentistry

The sudden death of Dr. J. G. Perkin, a member of the Faculty for 17 years, is announced with deepest regret. Dr. Perkin was taken ill while attending a post-graduate course at the University of Michigan, and died in Detroit on November 6.

On December 8 Dr. J. H. Johnson will attend the Horace Wells Memorial Dinner in Hartford, Conn.

Extramural lectures were given in November by Dr. J. H. Johnson before the Kingston and District Dental Society and by Dr. A. C. Robinson before the dental societies in Timmins, Kirkland Lake, North Bay, Sudbury, Port Arthur and Sault Ste. Marie. Dr. D. B. McAdam will give an extramural lecture on December 5 before the Brockville Dental Association at Maitland.

Pharmacy

A one-day Seminar at Woodstock on October 24 was attended by 72 pharmacists. The following staff members participated: Dean F. N. Hughes, Professors H. J. Fuller, R. M. Baxter, D. R. Kennedy and L. N. Elowe.

Physical and Health Education

Misses Dorothy Jackson and Zerada Slack attended the meetings of the Eastern Section of the Directors of Physical Education for College Women at Stockbridge, Mass., October 26-27.

Royal Ontario Museum

Mrs. H. Downie, Mrs. P. S. Dunbar, and Mr. Duncan Cameron attended the Workshop Weekend of the Museums Sections, Ontario Historical Society, at Goderich, October 19-21.

Administration

The conference on "Canada's Crisis in Higher Education" called by the National Conference of Canadian Universities in Ottawa on November 12-14, was supported by the Carnegie Corporation of New York. Attending from the University of Toronto were: Dr. Sidney Smith, Dean M. St. A. Woodside, Professors A. S. P. Woodhouse, B. S. Keirstead, R. W. B. Jackson and Murray G. Ross, and Mr. Marsh Jeanneret. In the "Educational Structure" session President Smith spoke on "English-Canadian Universities." Dr. Smith presided at the Conference Dinner, when the Prime Minister was guest speaker. Professor Jackson spoke on "English-Canada" in the session on "Who Goes to University?" In the discussion on "Problems in Securing Staff" Professor Woodhouse spoke on "The Humanities," and Professor Keirstead on "The Social Sciences." While in Ottawa, delegates attended the ceremony installing Dr. C. T. Bissell as president of Carleton College. ✓✓✓✓

President Smith received the honorary degree of Doctor of Laws from the University of British Columbia on October 26. While in Vancouver, he addressed the Council of the Vancouver Board of Trade.

Dr. Murray G. Ross spoke on "The Round Table and Research" on October 26, at the Round Table on "Man and Industry" sponsored by the School of Social Work. Dr. Ross addressed graduating students of the Canadian Credit Institute on November 20 on the subject, "Education and Obsolescence."

Mr. J. Kenneth Bradford was elected president of the Royal Canadian Electrical and Mechanical Engineering Corps Association at the annual conference held in Barriefield, Que.

Staff Changes

Newly appointed lecturers in the Department of Slavic Studies are Mrs. M. Jenkins, a graduate of the University of London, and Mr. N. Samilov, a graduate of Columbia University. They will both teach Russian.
